

# KEEP YOUR MORTGAGE CLOSE TO HOME

# First Safety Bank

**We keep your personal info and loan decisions local...  
...does your bank?**

Through every step of your loan process you'll deal with one of our branch loan officers, from application, and decision through closing. Why send your loan information out of town and deal with loan departments, when you can deal with a single loan officer?

William D. McKenney, President

Geoffrey D. Hyde, AVP
